

Arrangement of Proposal Defense for the 2023 Undergraduate Graduation Thesis (International Students on campus)

1. Defense Time

16:00PM-18:00PM, 25 March 2022 (Friday)

2. Defense Place

Group one:4-C408

Group two:4-C409

3. Defense Process

Process of Student Reporting. Students make PPT in advance and copy it to the classroom's computer in advance. Within 7 minutes, each student will explain the basis of the topic, the main content and expected goals of the research, the research scheme, the schedule of the paper and other aspects.

Process of Teacher Question. Teachers will ask questions on the basis of topic selection, innovation, feasibility and expected results of the opening report. Students answer the questions, and fully listen, record opinions, in order to further improve the opening report.
